

CENTRAL ILLINOIS BOARD OF REALTORS®

LEGISLATIVE AFFAIRS AND RPAC/IMPAC COMMITTEE

This committee shall be appointed by the President and approved by the Board of Directors. Members of this committee, elected to serve a two-year term, are encouraged to attend the corresponding committees of the Illinois Association of REALTORS®.

Committee members shall obtain information from the Illinois Association of REALTORS® and its lobbyists, so that board members may have access to all new proposals. When necessary, members may be assigned to review proposed legislation as it relates to real estate to recommend a plan of procedures or action to the Board of Directors. The recommended plan of action may include follow-up contact with each Senator or Representative giving board support or objection to proposed legislation.

RPAC and IMPAC are the REALTOR® Association's non-profit, non-partisan election and local issues fund-raising organizations. At all levels of public office and when local issues present problems detrimental to home ownership and private property rights, it helps to support those candidates or areas needing assistance, that are responsive to the needs and rights of property owners. This committee shall be responsible for contacting individuals or offices regarding contributions to these worthwhile causes. This committee, in conjunction with the Programs Committee, shall plan an annual event to assist in raising funds for this purpose.
